

Show Biosecurity Plan Template

Purpose

This Biosecurity Plan helps Show Committees identify and manage animal health and disease risks associated with livestock participation at their event.

Show Details

Show Name: _____ Show Date(s): _____
Showground PIC: _____

Responsibilities

Appoint a Biosecurity Officer and Chief Steward for each livestock section. Ensure all stewards are familiar with the Emergency Animal Disease Action Plan (EADAP).

Livestock Sections

List all sections with animals (e.g., Cattle, Horses, Sheep, Goats, Birds, Dogs). Identify separate entry/exit points and isolation areas for each.

Biosecurity Controls

1. Verify all livestock are accompanied by appropriate Health Declarations and NVDs. 2. Inspect animals on arrival for signs of disease. 3. Isolate any sick or suspect animals immediately. 4. Provide separate equipment and cleaning stations for each section. 5. Keep accurate records of livestock movements.
